COUNTY OFFICIAL PAPER.

D. E. O'KEEFE, Editor and Proprietor

FOR PRESIDENT
WILLIAM H. TAFT
OF OHIO.

Eikerenkotter, Johnston and MacBain are three winners.

Bullock is making a winning fight for the judgship.

Hall C. Hoss is a good campaigner and has alreday won the senatorship.

It is now only a question of how bigH. E. Holmquists majority will be.

E. A. Hayes will receive his usual majority in the Fifth Congressional district.

At the coming election you will be asked to votefor or against what will be designated on the ballot as the "India Basin Act."

This act, if passed, will saddle the State with an indebtedness of $1,000,000 of 20 year bonds for the purchase of certain real estate south of Islais Creek in South San Francisco. We desire the tax payers of the State of California to understand that this expense is unnecessary and will only benefit a few selfish land owners and politicians.

Mr. Taft is not the type of statesman topermitt the least shadow of uncertainty as to his views upon any of the principles and policies claiming the atention of the political parties. He is proverbially plain-spoken, putting his beliefs bluntly before the peole in readiness to stand or fall by them, and thus insuring that his good faith, at all events, can never be quetionsed. Mr. Taft believes in telling the truth to the people whether it pleases or hurts. He took this course with the Filipinos, and he can be relied upon to take it also with his fellow-countrymen, leaving no doubt as to what may be expected of him if elected to the presidency.

ROSS AND HOLMQUIST

The present is an age of young men Young men who are capable and efficient are coming to the front in every walk of life. San Mateo County needs young men as her representatives in the State Legislature and she is going to send young men to Sacramento. What a team the two candidates for legislative honors make Holmquist, big, impressive, calm and earnest makes friends with every public utterance. Ross bright, energetic and aggressive is forcing the public to take notice. And, as we are from Missouri, you will have to show us any one who will run ahead of them. They are both eminently fitted by education and natural attainments for the positions which they seek and San Mateo County is going to give each of them over 1000 majority.

JOSEPH J. BULLOCK

J. J. Bullock is making a great hustle for votes. He is constantly moving and already seen the greater portion of the voters in the county. He is making a splendid campaign, clean and manly effort to win. Mr. Bullock possesses a judicial mind well stored with legal learning and experience. If elected he would make an able judge, just, honest and fearless. In asking for the suffrage of the people he points to his record as district attorney and hopes to be elected on that record.

JOHN MacBIAN

Every voter of the Third Township who thinks intelligently before casting his vote will put his stamp of approval after the name of John MacBain for Supervisor on November 3d. An examination of the public records will show that Mr. MacBain has voted on the just and right side of every issue which has been before the Board during the past four years. We have but to point to the recent Smelter agitation as one example and there are numbers of other such cases. It was MacBain who insisted on re-advertising for Court House Bids thereby saving the tax payers over $22,000. It is this same John MacBain who has always been an enthusiastic booster for good roads and who has practiced what he preached. It was he who widened the Woodside road to twice its original width and it is he who has had nearly every old wooden brdge in his bailawick replaced by modern concrete spans which will last for years--not one cent of money has been wasted in MacBain's district and we want four years more of him. Next week we will tell you why MacBain is needed during the construction of the Court House.

THOMAS C. JOHNSTON

Thos. C. Johnston is making a thorough canvass of the Fourth Township for Supervisor and reports come from Halfmoon Bay that his election is almost assured. Mr. Johnston is a genial man who takes well with the voter. He knows nearly every one in the district, is finely equipped for the office by experience. If he is elected he will perform his duties faithfully, honestly and to the credit of his district. We have every assurance that he will be elected by a pronounced majority.

Redfern Whalebone Corsets

Directoire Model 41

is the most extreme Directoire shape in this country and was designed in Paris by the Redfern designer who visited Paris for this express purpose. It completely envelops the hips; the soft cloth extension of the skirt incases the fleshy part of the limb. Regardless of its seemingly great length it is exceedingly comfortable in wear, whether standing, sitting or walking, and it lengthens the waist without curving noticeably, the waistline extending into the straight flat hip.

PRICE, $6.00

Sheath Skirt Style, Model 38

This beautiful sheath skirt model, with the extremely long back, is made for tall medium figures. It has a full high bust, with the extended waist line. The soft skirt with four-inch width of unboned fabric extending beyond the boned position, very comfortably envelops the fleshy part of the figure.

PRICE, $3.50

REDFERN WHALEBONE CORSET

The Standard of Fashion, the Foundation of a Perfect Fitting Gown

The new fashion is known as Directoire and in this mode are many ideas, all of which require careful corsetting.

Through their cut and wumming mode current fashions should convey the impression of unbroken lines. The figure foundation required for accenting this new effect must not over aggerate the natural curves of the waist and hips, but only slightly define the waist and scientifically reduce the hips and abdomen, so that the whole figure is given the appearance of natural slimness. Redfern models produce this result.

We standardized Redfern corsets so that ever corset is the essential matter of wear is equally high, no matter what the price. Every Redfern corset is guaranteed not to RUST, BREAK or TEAR.

Pescadero Pebbles

PESCADERO, Oct. 16.—A fire rivalling in brilliance the light streaming from the light house, startled the residents of Pigeon Point and vicinity on Saturday night last. Someone keeping vigil twoard the midnight hour, saw flames issuing from Loren Coburn's wharf. He soon aroused others, who together hurried to the spot and endeavored to subdue the flames by pouring water on the burningpile. But to no avail. The fire gained with rapid strides, fed by about 250 bales of long stored and very dry hay and a barrel of lubricating grease. The scene now is one of desolation, nothing scercely remaining to mark the place which so recently was a substantial looking wharf, warehouse and chute. The origen of the conflagration is not known but there are said to be strong suspicions of incendiarism. The damage according to the Call is estimated at $10,000. No insurance.

Republicans Hold Rally

Congressman Hayes and Local Candidates Orate

The Republican campaign opened in this city last Saturday evening with a rousing rally in the Alhambra. The Redwood City Brass Band rendered a number of patriotic airs and helped to arouse a good spirit so that by the time the exercises commenced the enthusiasm was at a high pitch. George W. Love was chairman of the evening and called a number of the County officials and prominent Republicans to sit with the candidates on the platform. In a neat speech Mr. Lovie lauded the candidates and his introductory remarks in presenting each candidate were especially well chosen.

Mr. Hall C. Ross was the first speaker and in a clear and concise manner told why he expected to receive the sufferage of the people of this section. Mr. Ross received encouragement from his hearers by frequent bursts of applause.

Joseph J. Bullock, Reublican candidate for the office of Superior Judge was next presented but it was several minutes before he could begin his address, the applause was so loud and long continued. Mr. Bullock's talk was very short and to the point. He promised the people a fair and equal administration, said that he would have no friends to favor or foes to punish and promised to strive in every way to make the bench and bar of San Mateo County second to none. He also made a plea for a rousing good vote for Mr. Ross and Mr. Holmquist.

The next speaker was Mr. H. E. Holmquist who also came in for a rousing round of applause. He made a manly statement of what he would do in the event of his election to the State Assembly. He pledged his best efforts to all of the good movements which should come before the house and promised to suport the direct primary legislation,for good roads and regulation of the existing game laws.

The Hon. E. A. Hayes then took the stage and fairly held his audience for about an hour. Without any spirit of boastfulness he showed what he had done during his encumbency in Congress. In closing he promised the people of this city that should they so desire he would strive to have an appropriation made for the dredging of the Redwood City creek.

Mr. Parker Maddox of San Francisco then closed the meeting with a clear synopsis of what the Republican party stands for in the present campaign.

Rousing cheers were then given for John MacBain who was unavoidably absent and then cheers were given for the whole party and the audience disbanded.

The following vice presidents had seats on the platform:—Alex. Gordon, C. E. Cumberson, Thos. Hind. F. K. Towne, L. B. Thomas, E. O. Rhodes, Carl Beeger, Henry Steinberger, John Poole, Robert Brown and W. A. Price.

At the time of the respective drawings by lot, as aforesaid, and also at the maturity of said state bonds, said treasurer shall sell the United States or other bonds then in said sinking fund, at governing market rates, after advertising the sale thereof in the manner hereinbefore provided for the sale of bonds hereby authorized to be issued, and shall use the proceeds for the payment of such bonds as may be drawn by lot, and at the maturity of said bonds outstanding shall pay and redeem said matured outstanding bonds out of said moneys in said fund in extinguishment of said bonds on controller's warrants duly drawn for that purpose.
